Except as noted below and shown in Supplemental Detail Diagrams, this course is run entirely on the Hudson River Waterfront Walkway. On the three brief segments on River Rd, runners may use the road and/or the sidewalk.

Participants start running S in the parking lot on the W side of the Edgewater Ferry Landing Building and connect directly to the Waterfront Walkway. | **Detail A:** Course routing through parking lots at the Edgewater Marketplace. | Runners then briefly run S on River Rd. | **Detail B:** Course routing through parking lots near 595-615 River Rd and Mitsunwa. Runners must reenter the Walkway via the brick path. See Detail B. | **Detail C:** Out and back on the pier to Don Coqui Restaurant. Runners must stay on the main Walkway and make the 90-degree left turn to enter the pier. The turnaround on the pier is defined by the curbed median (with the pillars) in front of Don Coqui Restaurant. See Detail C. | **Detail D:** Course routing through parking garage underpass and access road at City Place at the Promenade Mall. Runners then briefly run S on River Rd. Near Marquis Ct, runners must stay on the main Walkway and may not cut through smaller curved paths. See Detail D. | **Detail E:** Course routing through parking lots near Pier 115/The Oyster. | **Detail F:** Course routing near The Glass House (3 Somerset Ln) and connecting to River Rd. | **Detail G:** Course routing transitioning from River Rd back to the Walkway on the N side of The Watermark on Hudson. Runners may not make the left turn here until the N edge of the Walkway. | **Detail H:** Sharp turn/course routing near the 4-mile mark through the private driveway on the W and the N side of Kingston Pointe Condominiums (7706 Marine Rd, North Bergen). After Detail H, the remainder of the course is run on the Waterfront Walkway.

Except as noted, this course was measured using the full width of the Walkway/roads and the shortest possible route.
